Who are WE?

Team Animals With Humanity is a registered Non-governmental organization dedicated to rescuing, fostering, and rehoming the abandoned, sick, and injured animals around our city. We also take care of their necessities like food, vaccination, sterilization and aware people about it. Alongside this, we take necessary stand for cruelty against voiceless souls and advocating for their rights of community & farm animals.

We began our journey in 2019 to rescue helpless street animals and today we're a family of 100+ like minded people all over Bhopal.

Our VISION is -
"दयातुः भवतुः सर्वविधाय।"
(Be kind to every kind)
& our MISSION is to create a world, where
Animals & Humans can co-exist peacefully.
